Payment Terms: -

Payment in Pounds Sterling (GBP) only.

Orders must be accompanied with full payment. Accepted methods of payment are: -

- Online Bank Transfers or BACS Payments
- Cheque (Make cheques payable to NSR COMMUNICATIONS LTD) - Goods would not be released until payments have cleared into our account.

Delivery: -

EG Timing equipment is hand-built and made to order. We aim to deliver to addresses in the UK within 28 days, however this is not guaranteed. International delivery times will need to be assessed with location and the equipment's availability in mind. Please contact us for current delivery times.

Carriage: -

Carriage for destinations both inside and outside the UK will be quoted when we have full equipment requirements.

Guarantee: -

We have a two-year guarantee on new items which offers repair without charge for parts or labour. We do not offer on-site repair and it is the customer's responsibility to return faulty equipment to us. The guarantee does not cover items that have been damaged. We will not accept responsibility for consequential loss of any sort (including hire charges). If timing is critical to your event, you should ensure that spare equipment is available.
